

Magic Rainbow Sandpits

The kid's favourite

Sandpit play provides children with many hours of enjoyable play and helps children develop basic skills. A sandpit in the backyard or on the patio will be something your children and their friends will keep playing in year after year.

Our sandpits are made from oiled macrocarpa for a long lasting finish.

All our sandpits are lined with weedmat to retain the sand and let water flow out, and have an easily removable cover to keep pets out. Two simple easily removable crossmembers stop leaves and water pooling on the cover. We use all stainless screws and bolts throughout.

Five standard sizes

Magic Rainbow sandpits come in four standard sizes, but we readily make any size or shape to suit your garden. Our sandpits sit on the ground, are about 300mm high and have a 90mm wide ledge around the top which you can sit on. We supply at least 250mm sand to play in.

We do everything

We deliver and install sandpits complete with cover and sand anywhere from Manurewa to Long Bay, Swanson to Howick. If you live further away, call us for options as to how you can have your sandpit delivered.

Kitset Sandpits

Kitsets include everything except sand. Assembly is required but all fittings and clear instructions are supplied. You will need a 4mm allen key and a pozidrive screwdriver. If you don't have these, let us know when you order so we can organise something for you. We also make kitsets to any size.

1200 x 1200 x 300 High	\$470.00
1500 x 1200 x 300 High	\$535.00
1500 x 1500 x 300 High	\$540.00
2000 x 1500 x 300 High	\$650.00

Sandpits with box seat

These sandpits have a box seat built in at one end approximately 500 wide by 470 high with a lift up lid. The box is for outside storage, doesn't have a floor and not guaranteed to be waterproof, but is ideal for keeping all those sandpit toys together.

1500 x 1500 x 300 High	\$990.00
1500 x 2000 x 300 High	\$1115.00

Delivery time

We can normally deliver sandpits within 5 working days. Even the odd sized sandpits can usually be delivered within this time. However, leading up to Christmas the available time slots for delivery always seem more limited. We take advance orders for specific delivery days such as birthdays, and you don't have to pay any sort of deposit to hold that booking day.

General Installation

Our sandpits can go on any reasonably level area of ground. They will happily sit on grass, bark, pavers or wooden decking. Allow about 100mm clearance all round to get the cover on and off.

If placing on a deck, you may need to limit the sand to about 100mm deep depending on what code your deck was built to. Ring us for more details.

Raised garden beds

Our wooden sandpits can be supplied without liner or cover to provide wooden surrounds for raised garden beds. We can even make removable cold frames to fit over to keep your seedlings from getting frosted.

How to Purchase

To purchase a sandpit simply phone us on (09) 816 8915, or send us an email to Laing@ihug.co.nz. You can also call or email us for answers to any questions you might have.
